Re: CPRA Request of October 6, 2016

Dear Mr. Hattam:

Your letter of August 9 (attached) requests that Metropolitan Water District of Southern California (Metropolitan) "immediately produce" the appraisal, [of all or a portion of the Delta Wetlands properties purchased by Metropolitan] referenced by Metropolitan's General Manager, Jeff Kightlinger, at a meeting at the Rincon del Diablo Municipal Water District on August 8, 2017. You assert that the referenced appraisal should have been produced in response to SDCWA's request pursuant to the California Public Records Act (CPRA) dated October 6, 2016.

As you know, Metropolitan's obligation when responding to a request for documents pursuant to the CPRA is to provide responsive documents that Metropolitan has in its possession.

I have confirmed with both Mr. Otake and Mr. Kightlinger that Metropolitan did not receive copies of appraisals of the Delta Wetlands properties obtained by the prior owners and did not, in 2016, have appraisals of all or a portion of the Delta Wetlands properties.

Mr. Kightlinger's statement, as you have paraphrased it, was that "*there was an appraisal that was four years old on it.*" Mr. Kightlinger confirmed today that he was aware of an appraisal, he did not receive a copy of the appraisal, and, further, that he did not state that Metropolitan had obtained copies of the appraisal.

Metropolitan fully complied with SDCWA's request for records pursuant to the CPRA dated October 6, 2016.

Sincerely,

Given this history, I was very surprised to learn that last night, in responding to questions from the Rincon del Diablo Municipal Water District Board of Directors, MWD General Manager Jeff Kightlinger said, as to the Delta Islands properties: "[T]here was an appraisal that was four years old on it." Mr. Kightlinger then went on to explain that it was the MWD Board of Directors, not MWD staff, who made the decision "another" appraisal was not necessary.

Demand is hereby made that MWD immediately produce the appraisal identified by Mr. Kightlinger, which clearly should have been produced last year pursuant to our PRA request. The PRA request was not limited to recent appraisals, or appraisals MWD performed, but "All appraisals for any of the 'Property,' . . . ."

Sincerely,

Mark J. Hattam

Bryan, thanks much for the response. I see no formal appraisals in the production. Is it correct that MWD has no actual appraisals in its possession for any of the Delta Islands it purchased? Just want to confirm we are not missing something.

Dear Mark,

It is correct that there were no formal appraisals. Only valuations and comparable studies were undertaken by staff.
